

Main Street Wall of Fame

During the past five years, there has been a huge effort given by several people to improve the Town of Speedway. The first area that required change is Main Street. Perhaps you have seen some of the drawings and plans that have been proposed by various groups. We would very much like your input as well.

On Main Street, there is a designated area that will be our town's Wall of Fame. It will showcase our history and some of the people that have contributed to make it what it is today.
